

Please do not allow a decision which will affect whether or not I receive KLOVE on 94.7. This station is very important to my family. It is so refreshing to not have to worry about what my kids will hear on the radio. This station gives me excellent information about what is going on in my community - events important to me and my family. We would miss the wonderful music played by KLOVE which is not available on any other station in my area. Please do not allow this station to be displaced by an LPFM broadcaster. KLOVE is enormously popular in this community and the service they provide is critical to these listeners, especially my family.
